

We are delighted to invite you to this roundtable event for NGO leaders, co-hosted by the [Ghana Science and Tech Explorer Prize \(GSTEP\)](#) and the [Practical Education Network \(PEN\)](#).

Event details:

Date: Wednesday 24th November 2021
Time: 09.00-12.30 GMT
Location: Stanbic Bank Incubator (Silver Star Towers, Airport City, Mezzanine Floor, Accra, Ghana)

Agenda:

Time	Agenda item
09.00-09.15	Introduction and welcome
09.15-10.15	<p align="center"><i>Workshop 1:</i> Barriers and Opportunities in Practical STEM Education in Ghana (GSTEP team)</p> <p>We will discuss both the barriers and opportunities in practical STEM education. These discussions will inform a short 'State of Practical STEM Education in Ghana' report, which the GSTEP team are compiling. This will be shared with the Ministry of Education, other key public sector stakeholder and private sector industry leaders.</p>
10.15-10.30	Short break
10.30-11.30	<p align="center"><i>Workshop 2:</i> Building the Ghana STEM Advocacy Network (PEN team)</p> <p>We will discuss practical actions to further develop and build the Ghana STEM Advocacy Network.</p>
11.30-12.15	<p align="center"><i>Workshop 3:</i> Collaborating Together in Practice (GSTEP team)</p> <p>We will continue the conversation on how we can work together most effectively in practice, to further our collective goals.</p>
12.15-12.30	Wrap up and next steps
