

# Ghana Science & Tech Explorer Prize 2023

## Eligibility Criteria

To be eligible to apply to the Ghana Science and Tech Explorer Prize (GSTEP) Challenge:

- Teams must contain between **4** and **6** members.
- All team members must attend a **Junior High School (JHS)** at the time of applying to the GSTEP Challenge.
- All team members must attend the same school in either the **Greater Accra, Eastern** or **Ashanti** regions.
- Both **public** and **private** schools are eligible to apply.
- Teams must be represented by an **adult** (18+ years of age) who is associated with that Junior High School (JHS). The majority of these adults will be teachers. However, teams can be represented by another adult who is associated and selected by the school.

Please note that:

- Multiple teams from the same Junior High School (JHS) **can** enter (we highly encourage as many students as possible to apply from each school).
- A teacher, or adult representative, **can** be associated with multiple teams (for example, a teacher can represent their whole class)
- Team members **cannot** be a part of multiple teams.
